FOUR MORE REASONS TO PROTECT PHI

FRESENIUS MEDICAL CARE NORTH AMERICA (FMCNA)

Five breaches added up to \$3.5 million in settlement costs for FMCNA that failed to heed HIPAA's Risk Analysis (RA) and Risk Management rules. In addition they have to adopt a comprehensive corrective action plan in order to settle potential violations of HIPAA.

21ST CENTURY ONCOLOGY, INC.

In lieu of potential civil money penalties to HHS-OCR, 21st agreed to pay \$2.3 million. They agreed to adopt a comprehensive corrective action plan to settle potential violations of HIPAA.

AETNA INC.

Aetna settled a lawsuit for \$17 million. As many as 12,000 people in at least 23 states insured by Aetna were compromised via mailing issue where PHI was inadvertently exposed.

ST. LUKE'S ROOSEVELT HOSPITAL CENTER INC.

Careless handling of HIV information jeopardizes patient's privacy and it cost them \$387k and an agreement to implement a comprehensive corrective action plan.
